

EQUITY ARENA

HOW TO PLAY & OFFICIAL RULEBOOK

SVKM's Shri Bhagubhai Mafatlal Polytechnic • Vile Parle (West), Mumbai

20,000 IC

STARTING CAPITAL

8 STEPS TO DOMINATE THE ARENA

01 REGISTER & GET 20,000 IC

Create your account and receive 20,000 free Ignite Points (IC) to start the game. Your IC is your trading capital.

02 START THE 3-HOUR GAME

The game runs for exactly 3 hours live. During the game, the market prices of 15 dynamic stocks keep changing in real-time.

03 CHECK THE STOCKS

Explore the 15 available stocks and check their live price, trend graph, sector telemetry, and order books before making your move.

04 FOLLOW THE MARKET NEWS

New breaking market news will appear during the game. News events directly impact stock volatility, so read carefully and act fast!

05 BUY & SELL SHARES

Use your Ignite Points to buy and sell shares.

- Buy/Sell at Market Price — trade instantly at the current stock price.
- Place a Limit Order — set your target price. The order fills automatically when market reaches it.

06 MANAGE YOUR IC

Keep track of your Ignite Points, holdings, and live profit/loss. Use your points wisely and execute strategic buy, hold, or sell maneuvers.

07 FINAL 5 MINUTES (CRITICAL LOCKOUT)

LOCKOUT WARNING

When the game enters its last 5 minutes, no new trades can be placed. All shares you still own will be automatically liquidated at current market price.

08 WIN THE GAME (CHAMPIONSHIP)

VICTORY GOAL

After the 3-hour game ends, the player with the highest total Ignite Points (IC) claims victory and wins Equity Arena!
