

EQUITY ARENA

HOW TO PLAY & OFFICIAL RULEBOOK

SVKM's Shri Bhagubhai Mafatlal Polytechnic • Vile Parle (West), Mumbai

& 8 STEPS TO DOMINATE THE ARENA

01 REGISTER & GET 20,000 IC

WELCOME BONUS

Create your account and receive 20,000 free Ignite Points (IC) to start the game. Your IC balance is your trading capital.

02 START THE 3-HOUR GAME

LIVE ARENA

The game runs for exactly 3 hours live. During the game, the market prices of the 15 available stocks keep changing in real-time.

03 CHECK THE STOCKS

TELEMETRY & GRAPHS

Explore the 15 available stocks and check their live price, trend graph, sector telemetry, and order details before making your move.

04 FOLLOW THE MARKET NEWS

MARKET EVENTS

New breaking market news will appear during the game. The news can affect stock prices, so read the news and make your decisions carefully.

05

BUY & SELL SHARES

TRADING DESK

Use your Ignite Points to buy and sell shares.

You can:

- Buy/Sell at Market Price — trade at the current stock price.
- Place a Limit Order — set the price at which you want to buy or sell. The order will be completed when the stock reaches your chosen price.

06

MANAGE YOUR IC

PORTFOLIO CONTROL

Keep track of your Ignite Points, shares and profit/loss. Use your points wisely and decide when to buy, hold or sell.

07

FINAL 5 MINUTES (LOCKOUT WARNING)

CRITICAL LOCKOUT

When the game enters its last 5 minutes, no new trades can be placed. All the shares you still own will be automatically sold at the current market price.

08

WIN THE GAME (CHAMPIONSHIP)

VICTORY GOAL

After the 3-hour game ends, the player with the highest amount of Ignite Points (IC) wins!
